- Java
- Python
- C#

Languages

- Dutch: Native
- English: Proficient

Profile

Motivated Software Development student at Nova College with a passion for programming and technology. I am eager to learn and enjoy working with software. During my time at the Municipality of Haarlem, I gained valuable experience in IT support and bridging the gap between users and technology. I am now looking for an opportunity to further develop my coding skills.

Experience

Functional application support

2023

Municipality of Haarlem

- Supported employees with inquiries regarding software and internal applications.
- Acted as a liaison between end-users and the technical department to resolve issues.
- Tested new functionalities and system updates before implementation.
- Assisted in optimizing IT processes within the organization.
